### 10. BRIEF SCHEME OF THE LAW

#### (1) Computation of total income

- (a) "Previous year" is the financial year (1<sup>st</sup> April to the following 31<sup>st</sup> March) during which the income in question has been earned. "Assessment Year" is the financial year immediately following the previous year.
- (b) Total income is to be computed as follows, in the following order:
  - (i) Classify all items of income under the following **heads of income**:  
(A) Salaries; (B) "Income from house property"; (C) "Profits and gains of business or profession"; (D) "Capital gains"; and (E) "Income from other sources". {There may be no income under one or more of the heads mentioned at (A),(B),(D)and (E)}
  - (ii) Compute taxable income of the current year (i.e., the previous year) under each head of income separately in the Schedules which have been structured so as to help you in making these computations as per provisions of the Income-tax Act. These statutory provisions decide what is to be included in your income, what you can claim as an expenditure or allowance and how much, and also what you cannot claim as an expenditure/allowance.
  - (iii) Set off current year's headwise loss(es) against current year's headwise income(s) as per procedures prescribed by the law. A separate Schedule is provided for such set-off.
  - (iv) Set off, as per procedures prescribed by the law, loss(es) and/or allowance(s) of earlier assessment year(s) brought forward. Also, compute loss(es) and/or allowance(s) that could be set off in future and is (are) to be carried forward as per procedures prescribed by the law. Separate Schedules are provided for this.
  - (v) Aggregate the headwise end-results as available after (iv) above; this will give you "gross total income".
  - (vi) From gross total income, subtract, as per procedures prescribed by the law, "deductions" mentioned in Chapter VIA of the Income-tax Act. The result will be the total income.

#### (2) Computation of income-tax, surcharge, education cess and interest in respect of income chargeable to tax

- (a) Compute income-tax payable on the total income. Special rates of tax are applicable to some *specified* items. Include agricultural income, as prescribed, for rate purposes, in the tax computation procedure..
- (b) Deduct Rebate u/s 88E, if allowable, in respect of the Securities Transaction Tax paid during the previous year,
- (c) Add surcharge as prescribed by the law on the above tax payable (after rebate).
- (d) Add Education Cess as prescribed on the tax payable (after rebate) plus surcharge.
- (e) Claim relief(s) as prescribed by the law, on account of double taxation and calculate balance tax and surcharge payable Add interest payable as prescribed by the law to reach total tax, surcharge and interest payable.
- (f) Deduct the amount of prepaid taxes, if any, like "tax deducted at source", "tax collected at source", "advance-tax" and "self-assessment-tax". The result will be the tax payable (or refundable).

#### (3) Computation of fringe benefits and income-tax, surcharge, education cess and interest in respect of fringe benefits chargeable to tax

- (a) Chapter XII-H of the Act relates to income-tax on fringe benefits paid or deemed to have been paid by an employer to his employees. Previous year 2005-06 is the first year for which the provisions of income-tax on fringe benefits are applicable. Thus, an employer has to furnish the return of fringe benefits for the assessment year 2006-07 and onwards.
- (b) Section 115WB provides the list of fringe benefits provided or deemed to have been provided by an employer to his employees which are chargeable to tax. Section 115WC provides as to how to compute the value of the fringe benefits provided or deemed to have been provided.
- (c) Additional income-tax (fringe benefit tax) is required to be paid by every specified employer at the rate of thirty per cent on the value of such fringe benefits. Surcharge and Education Cess at specified rates are also to be paid on fringe benefit tax (FBT). FBT is payable by an employer even if no income-tax is payable by him on his total income

- (d) Specified employer means a company, firm, an association of persons or a body of individuals (whether incorporated or not), a local authority and every artificial juridical person. However any person eligible for exemption under section 10(23C) or registered under section 12AA or a political party registered under section 29A of the Representation of the People Act, 1951 is not chargeable to fringe benefits tax.
- (e) The Central Board of Direct Taxes has issued an exhaustive Circular No.8 / 2005 dated 29.8.2005 explaining the provisions relating to fringe benefit tax. In case of any doubt, the assessee may refer to the said circular
